The Arts & Education Center (AEC) is a not-for-profit, 501(c)3 organization which provides a high level of Arts Education to gifted and talented students in the Literary, Performing, and Visual Arts.

We depend upon donations to continue the work we began over 40 years ago. Since its beginning, in 1969, the Arts & Education Center has trained thousands of New Jersey students who have honed their artistic abilities through conservatory level courses in creative writing, dance, theater, vocal and instrumental music, visual arts and photography. All of our courses are taught by professional artists in their respective fields. The programs provided by the AEC help these students develop their special gifts, strengthen their critical thinking skills and create future leaders for our communities.

Thank you for your support of the Arts & Education Center. If you have any further questions, or would like to become more involved, please do not hesitate to contact us.
